Re: ET Docket Nos. 04-186, 02-380 and 10-24; WT Docket Nos. 08-166 and 08-167

Dear Ms. Dortch:

On September 16, 2010, Kerry Murray of Dell Inc. left a voice message for Chairman Genachowski's Legal Advisor Rick Kaplan regarding the white spaces proceeding.¹ Ms. Murray voiced concern about the impact of allowing previously unauthorized microphones to register for database protection, as discussed in a recent ex parte filed by Dell, Microsoft Corp., and Spectrum Bridge, Inc.² Ms. Murray also observed more generally that additional protections for previously unauthorized wireless microphones were unnecessary, and could threaten the viability of the white spaces.

Pursuant to the Commission's rules, a copy of this notice is being filed electronically in the above-referenced dockets. If you require any additional information please contact the undersigned.

Sincerely yours,

/s/ S. Roberts Carter
